

## **The Atherstone Red Lion Hotel**

At The Atherstone Red Lion Hotel we appreciate that every Wedding is a very special event and we want to ensure that with our experience and listening to your requirements we can create that very special day. We are pleased to advise that we are licensed to conduct Civil Ceremonies in the Hotel. The advantage of this is that all of your celebrations can take place without having to travel from one venue to another.

### **CIVIL CEREMONIES**

We are licensed for Marriages and Civil Partnerships by Warwickshire County Council. We have five rooms available catering from 10 to 160 guests. There are strict guidelines that we must adhere to with regard to the Civil Ceremonies and these are governed by the local authority and the Registrar.

If you are considering holding your Civil Ceremony here then it is vital that you also contact the Registrars' Office as they will need to conduct the Ceremony for you.

There is a Room hire charge of £250 applicable for every ceremony, and there will be fee payable directly to the Registrars for their services.

For Marriages or Civil Partnerships registration you will need to contact the Registrars Office\*, Riversley Park, Coton Road, Nuneaton CV11 5HA.  
024 76 375209

If you require any further information regarding Civil Ceremonies, please do not hesitate to speak to us.
